CONSTRUCTION UNDERWAY

The old stairs and ramp have been removed to make way for a new accessible entryway. The project includes additional lighting and new bike racks.

This project was approved in 2019 and will be completed early Summer 2020. It is supported by funds from the New York Construction Aid Program.

This photo is from May 21, the forms have just been removed for the walls to the new ramp.

AMAZON SMILE

Survey for The Community Library

The Trustees of The Community Library are in the process of looking to its future. We are pleased to introduce our new Director, Kimberly Zimmer and we are developing a new long range plan. In order to do this, we need the input of our patrons and people in the Cobleskill-Richmondville School communities we serve. We ask that you complete the survey so we can better meet your needs and visions for the future of our services for you.
